Synopsis

authori¼š	Matthew Wolf
readByi¼š	Michael Kramer
inLanguagei¼š	english

Seekers control the elemental forces of the world and must climb the World Tree for ultimate power. Dren, a ragtag thief from a dystopian world, is dropped into a land teeming with gods, monsters, magical creatures, and more.

Dren has nothing. Heâ€™s tenacious. And charming. Yep, thatâ€™s about it. But pluck can only get you so far when gods collide.
