*New York Times* best-selling author Stephen Hunter is back with another breakneck thriller, in which ex-Marine sniper, Ray Kruz, must outwit a group of murderous Somali terrorists who've laid siege to the Mall of America.

Recently retired marine sergeant Ray Kruz has been talked into a mall trip by his fiancée, the beautiful Molly Chan. For Ray, Molly represents a way to reconnect with normal life, something his 20 years in the service and five tours in two combat zones have prevented. But now he finds himself in the middle of the softest target of all, a huge consumer mall where a self-styled "Mumbai Brigade" has come to bring massive death to the heartland. They just didn't know Ray Cruz was in the building.
