In a world inspired by karma, three teens encounter magnificent beasts, unforgiving magic, and epic battles in this propulsive and wholly original young adult fantasy. Evocative of Sanderson, Pullman, and *Fullmetal Alchemist*, yet at the same time shockingly original. • Rosaria Munda, author of *Fireborne* Aina's world is governed by Toranic Law, a force that segregates people into upper and lower realms. It's said that if the sinful lowers commit themselves to kindness and charity, their souls will lighten, allowing them into the peaceful upper realms. But Aina, one of the few lowers to ever ascend, just wants to go back home. Aina is desperate to reunite with her mother, hoping she's survived the beasts and wars of her homeland alone. After failing to weigh down her soul with petty crimes, Aina joins a rebel group defying the authorities and bringing aid to those condemned to a life of suffering in the lower realms. Alongside Aina are two new recruits: Meizan, a ruthless fighter trying to save his clan from extinction, and Aranel, a spoiled noble spying for the powers that be. Before long, the rebels find themselves in the middle of a brewing war. On one side, a violent king of a lower realm is bent on destroying Toranic Law; on the other, the authorities of the upper realms will do anything to stay on top. Now the young rebels must face both sides head-on if they want to stop a conflict that could break not only Toranic Law but the universe itself. Fans of epic, propulsive fantasies like *Six of Crows* and innovative world-building like *Avatar: The Last Airbender* will delight in A. A. Vora's ambitious, unmissable debut.
