Summertime in Miami is always be sunshine and good times for everybody...well everyone except for Lilyana. At one point she was a nail tech at the top of her game. That all came crumbling down when she got caught up in the shady side of the game. Not only was Lilyana backstabbed by a business partner but her love life to an unforeseen turn for the worst. Lilyana is on the brink of walking away from everything until she is presented with the opportunity that could change her life forever.

Stepping out on faith was never something that was easy for Lilyana. Will her fear outweigh her faith and send her spiraling out of control? Or will she allow herself to open up to the possibilities of a new start? See what the summertime heat is really like down in the beautiful city of Miami as Zarkia takes you on an unforgettable ride in her blazing hot new African American Urban Fiction Novel.
