What's a girl to do when she finds a sexy giant bathing in the river?

Emelie

Who leaves their girlfriend in the woods after a fight? My now *ex*-boyfriend, that's who. One fight okay, a *big* fight because I found out he was cheating on me while we were camping, and poof! He left me in the woods.

So, I start walking to town, only I get turned around and end up at the river, where I meet Axel. This guy is *huge*.

With a storm rolling in, I don't have much choice but to trust him and take shelter in his cabin, since I've been walking for hours *away* from town.

Several days of rain wash out the road and it looks like I'm stuck here with my giant. Only he's nothing like I thought he'd be. He's quiet, watchful, smart, and funny.

Axel

I've lived alone for years, and I've been okay with that until one day she finds me bathing at the river.

She is small, cute, and talks a lot. I find I don't mind it.

When the storm washes out the only road into town and she is stranded with me a while longer, I am grateful for more time with her.

I like her in my space. I like showing her what I do, and how I survive out here. I like her in my bed.

After years of living alone, I find little appeal in it anymore.

When her ex-boyfriend shows up at my door, can I convince her to stay?

Can I ask her to give up a life in town for one out here in the mountains with me?

This is a steamy, gentle giant, mountain man romance. No cliff-hangers. As always, there is a satisfying happily ever after.

If you love steamy romances with hot love scenes, mountains, rivers, and mountain men, then this one is for you.
