**Your ancestors have waited your whole life for this moment...and the next!**

What if you had an opportunity to discover and connect with your ancient origins, and the gifts passed on to you from those ancestors? What if those discoveries brought healing you never thought possible?

Amy Gillespie Dougherty, founder of Irigenics Ancestral Eye Reading, and her expert author cast give exactly that and more in this third book in a powerful series.

*The Ancestors Within, Recognize and Embrace the Gifts of Your Origins* is a collaboration that brings the best of the world's ancestral healing professionals together to help you understand how to open up a magical door to a better life, mind, body, and soul. You'll connect the dots and use clues to discover yourself in a whole new way.

The stories and tools offered are placed upon a unique altar, specifically designed for your listening pleasure, but infused with energy that transcends most barriers. The combined knowledge and wisdom here is profound. The genuine passion these authors have to guide you on your journey to health, wealth, and happiness is palpable.

With tools that surpass DNA analysis, get ready to journey within and uncover answers to questions you've been asking for a lifetime.
