1888 - In the midst of the murderous phrenzy plaguing the streets of Whitechapel, a case of mistaken identity, a courier's dispatch containing a coded message, and an urgent request from Scotland Yard draw Sherlock Holmes into a case that uncovers criminal schemes fixed on removing the heads of the governments of England, France, and the German Empire. </p><p>Convinced these events are not simply calamitous coincidences, Holmes goes to his brother Mycroft, reasoning such endeavors must be orchestrated by a single malicious mastermind. With his trusted colleague, John Watson, at his side, as well as a rogues gallery of characters, old and new, Holmes throws himself into the fray. </p> <p>With international implications, this case tests Holmes' abilities to their very limits, as he doggedly pursues the identity of the man behind the malevolence, and the destruction of such a Sinister House.</p>
