A feel-good, festive listen to keep you cosy this winter. For fans of Heidi Swain, Sarah Morgan and *The Archers*. Recently divorced, the family home sold and her son all grown up, Clare is at a crossroads. She's dedicated her whole adult life to her family, and now it's time she did something for herself. In the lead up to Christmas, Clare decides that a bit of time in the countryside might be just what she needs, so she moves back to Little Bramble, the village she grew up in. But living with her mum for the first time in years - and not to mention Goliath the Great Dane - can be challenging. When Clare finds herself running the village Christmas show, it feels like she has purpose in her life again. Bringing together people from all sides of the community, and all walks of life, will Clare manage to pull off a festive feat like no other? And will she find the new start in life - and possibly love - that she's been looking for? *The Country Village Christmas Show* is the perfect romantic listen to get cosy with this winter.
