

The Eve of the Maelstrom

author: Jean Rabe

2026-06

Synopsis

author	Jean Rabe
readBy	Josh Clark
inLanguage	english

In an age of tyranny, one evil rises above all others. The Summer of Chaos swept its devastation across the world of Krynn. In its wake, foul dragon overlords of immeasurable power conquered Ansalon and remade the lands in their own image. But Malystrix, the greatest and most evil of all the dragons, is no longer content with ruling her domain. She wants to ascend to godhood, and only one band of stalwart heroes stands in her way.
