**The Fathering Heart of God Raising Sons and Daughters for Kingdom Succession**  
True spiritual fathering is more than mentorship—it is a divine investment in the next generation, an impartation of wisdom, identity, and purpose that raises sons and daughters into their own place of spiritual maturity. Yet, in today’s Church, many have misunderstood the role of spiritual fathers and sons, leading to leadership built on affirmation rather than transformation. In *The Fathering Heart of God* Dr. Greg Crawford provides deep insights into what it means to be an authentic spiritual father and how true sonship operates in the Body of Christ. This book exposes the pitfalls of immature leadership, false finish lines in discipleship, and the urgent need for raising spiritual sons and daughters who, in turn, become fathers and mothers themselves—ensuring true succession in the Kingdom of God.

**What You’ll Discover in This Book:**

- The True Meaning of Spiritual Fathering** — Learn the grace and responsibility of raising sons and daughters.
- Authentic Sonship** — Understand what it means to be a true spiritual son or daughter and why submission is key to growth.
- Breaking Leadership Immaturity** — Identify false fathering models that hinder the maturing process.
- Kingdom Succession** — Move beyond just creating sons and daughters; equip them to become future spiritual fathers and mothers.
- The Heart of the Father** — Gain a deeper revelation of God’s design for spiritual family and generational legacy.
