

The Four Last Things

author: Andrew Taylor

2026-06

Synopsis

author	Andrew Taylor
readBy	Ric Jerrom
inLanguage	english

Little Lucy Appleyard is snatched from her child minder's on a cold winter afternoon, and the nightmare begins. It is as if the child had disappeared into a black hole with no clues to her whereabouts...until the first grisly discovery in a London graveyard. More such finds are to follow, all at religious sites. In a city haunted by religion, what do these offerings signify?
