Take the leap. She's got her feet planted on the ground. He'll teach her to fly. Jessica, a curvy, driven, neat-freak lawyer is ecstatic when she finally gets her dream job - even though it's taking her away from her hometown. When she meets over-the-top, man-mountain Mikey, a fitness buff and veterinarian with a messy life in all senses of the word, she thinks she just walked into the second-most exciting adventure of her life. His larger-than-life personality fascinates her, but also shakes the foundations of her quiet, introverted self, knocking her off-kilter. It's a bad idea to let him take her on as a weight-loss client. It's an even worse idea to get involved with him since he's her manwhore roommate...and she's seen him in action. If they give into their undeniable attraction, is it just a train wreck waiting to happen? Or will their desire fuel a chance at real love? If you love steamy romance, be sure to check out the fourth standalone in the Giving You series.
