*The Journey Home* is an unprecedented combination of a nonfiction life account with an award winning soundtrack that tells the story of the author's own transformational healing journey from a Las Vegas entrepreneur and real estate developer whose financial and emotional collapse led him to his ultimate truth and highest calling. *The Journey Home* takes the listener on a fascinating journey from a life of material wealth and the pursuit of pleasure through near-destitution as it chronicles a plethora of jaw-dropping external exploits and fascinating inner experiences with twists and turns that ultimately reveal his natural healing gifts and true purpose, Oneness, and the reason for our suffering.   
Written in sing-song lyrical prose, *The Journey Home* is laced with humor, sex, mysticism, addiction, and is, in one way or another, the essence of every man's journey.
