Shy takes the summer job to make some money. A few months on a luxury cruise liner - how bad can it be? Bikinis, free food, maybe even a girl or two...there's always going to be a fresh crop of passengers, after all. He'll rake in the tips and be able to help his mom with the bills. </p> <p>But then an earthquake more massive than any ever recorded hits California, and Shy's life is changed forever. The earthquake is only the beginning. Twenty-four hours and a catastrophic chain of events later, Shy is lost at sea, fighting to survive - and stuck with her. </p> <p>She's blond and she's rich, and never in her life would she have dreamed she'd be adrift in the Pacific Ocean, surrounded by death and completely dependent on a guy like Shy. </p> <p>And Shy hasn't even faced the worst.</p>
