In a secret room in Washington DC John Tanner is asked to stake his life - and his wife and children - on a gamble whose goals and risks no one will fully reveal to him.

In a small suburban town, where only the nicest people live, friends, neighbours, everyone and anyone could be part of a monstrous conspiracy of international evil.

The machinery has already been set in motion. And at stake is the very existence of America - and the future of the entire free world...Read by Stephen Hoye.
