What do you really know about Love?

Love's her name, but it's not her whole story...

Love Bukowski is a new sophomore at Hadley Hall, the posh prep school where her father is now principal. Raised by her single dad (with more than a little help from her funky aunt Mable), almost-sixteen-year-old Love is strong willed, with a wry sense of humor - but will she fit into the world of Hadley Hall? In the made-for-TV version of her life, she's got cool friends and hot guys galore. But being a "fac brat" makes new friends hard to come by, and the guys - well, that remains to be seen. Now Love's got to step it up if she's going to overcome her less-than-glamorous reality and get that walk-on role in her own fantasies.
