Synopsis

author	Mike Gomes
readBy	John N Gully
inLanguage	english

Rogue judges. A human trafficker. Will justice be served?

There is something nefarious going on in 1966 Monte Carlo. The extravagant casino owner Gerard Legrand has been charged with human trafficking. But coincidentally, all the evidence is destroyed.

Unable to accept the ruling, two judges join together with a team of ex-military special services men to bring Legrand to justice by any means necessary.

From the acclaimed author of the Falau Files, Mike Gomes is taking his readers on a thrilling ride to the origins of the very organization that Michael Falau works for, The System.

comment 1: Anna Collins

Mike Gomes' 'The System' is a thrilling exploration of power, control, and human resilience. The novel is set in a dystopian world where a monolithic organization governs every aspect of life, making individual freedom a relic of the past. Gomes masterfully constructs a narrative that is both engaging and thought-provoking, inviting readers to question the systems that govern their own lives. The protagonist, a determined and resourceful character, becomes a beacon of hope as she navigates the oppressive regime, challenging the status quo with grit and intelligence. Gomes' writing is both vivid and precise, painting a stark picture of a world that feels eerily plausible. The pacing of the book keeps readers on the edge of their seats, with each chapter unraveling new layers of intrigue and suspense. 'The System' is not just a story about rebellion; it's a powerful commentary on the importance of autonomy and the human spirit's indomitable will to fight against tyranny. For those who enjoy dystopian fiction with depth and nuance, this book is a must-read.
