Tinnitus Talk is a podcast about all things tinnitus. We aim to engage and inform you, bringing you fresh insights and updates on research, treatments, personal experiences and public awareness. Our hosts (who all have tinnitus themselves) interview tinnitus researchers, healthcare providers and advocates. We bring you real life stories from tinnitus patients. And weâ€™ll update you on the latest developments in the field and in the patient community. Tinnitus Talk is a brand owned by Tinnitus Hub. Visit TinnitusTalk.com to join our online patient forum!
