A life hangs in the balance! A king held for ransom, a country under thumb, clans at one another's throats. Malcolm of clan MacKintosh has enough to worry about without finding a mysterious lass sleeping on the side of his road. He tries to help her in his overbearing, arrogant way and winds up flat on his back. God's blood, who is this woman and why does she captivate him so? And only she can tip the scales. The fortune-teller said something about saving a life, then zapped Alethia Goodsky back to fifteenth-century Scotland a land bristling with broadswords and intrigue. Alethia is no damsel in distress, though, even if brawny, blue-eyed Malcolm has sworn to protect her. With her wits and special abilities, she races to solve the gypsy's mystery and protect those she's come to love. The stakes climb higher and enemies close in, forcing Alethia to choose between finding her way home and staying true to her Highlander.
