**Featuring an exclusive conversation with Logic and Steve Blum**  
**From #1 *New York Times* bestselling author Logic comes the highly anticipated second novel set in the far future as two friends uncover if the utopian planet Paradise lives up to its name.**  
**In the year 2115, when the Earth is no longer inhabitable, the remainder of humanity lives in Babel, a giant space station. Two pilots, Quentin and Kai, must find the planet Paradise, where only the most promising citizens are allowed to live. On their journey, Quentin and Kai encounter Quentin's estranged father, who left Babel for Paradise when Quentin was a child, and they discover just how different Paradise is from what they imagined and how they must change it for the better.**  
**The bestselling author of *Supermarket* and platinum-selling hip-hop artist, Logic, returns to fiction with this gripping and propulsive sci-fi novel.**
