These inspired standup performances feature stories about being sort-of famous. Take an epic journey to the *Saturday Night Live* 25th Anniversary Show and into the depths of Julia Sweeney's soul. Watch Dana Gould get his pilot tested. Plus great snapshots of near-fame from Bobcat Goldthwait, Beth Lapidés, and a gem of a song from Andy Dick with music by Andras Jones (we think).

**TRACKS:** "Paparazzi" by Bobcat Goldthwait  
"Look at Me" by Andy Dick  
"Test Pilot" by Dana Gould  
"Where do I know you from...?" by Beth Lapidés  
"Who's in that Limo...?" by Julia Sweeney

**BOBCAT GOLDTHWAIT** has appeared in *ER*, *Blow*, and as the star of his own epic alcoholic-clown movie, *Shakes the Clown*. He is also the writer-director of the forthcoming *Stay*.

**ANDY DICK** the writer-director-star of *Danny Roane: First-time Director* and executive producer of *The Assistant*. He's starred in *The Ben Stiller Show*, *Less Than Perfect*, *Newsradio*, and his own *The Andy Dick Show*.

**DANA GOULD** is a writer and co-executive producer on *The Simpsons*. He has appeared on *The Ben Stiller Show*, *Seinfeld*, *Late Night with Conan O'Brien*, and in his own HBO comedy special.
