<p>Elaine had quite a sheltered background, but her time with soldier husband Eddie had certainly brought her out of her shell, so to speak. That is, she was now a full-blown nympho who had gone as far as a threesome with adventurous Eddie. That was with him though.</p>

<p>Now he was overseas on deployment ad she was lonely and more than a bit sexually frustrated. They spoke often by video chat and she told him of her growing sexual needs.</p>
