When Denver-based Were blogger and founder of Honoring Our Werewolf Legacy (HOWL) Kate Stillman agrees to take on political "bad boy" Duncan MacDowell in a public debate about werewolf segregation, she's confident she'll sail through the challenge without letting down her guard. And what can go wrong while hanging out with the sexy Scottish founder of Werewolves Optimizing Our Future (WOOF) long enough to convince him his views on interspecies mating are mistaken? Plenty, when Kate discovers that she's actually wildly attracted to her opponent - who by all accounts prefers dating human women! But what hope can there be when this irresistible werewolf-with-a-cause believes their future depends on Kate losing the argument?
