

When Jesus Stole My Bread

author: Paul Durbin

2026-06

Synopsis

author	Paul Durbin
readBy	Christopher Jamieson
inLanguage	english

We're created to live at the intersection of grace and truth, yet we often gravitate toward one or the other. *When Jesus Stole My Bread* uses the power of parable - a fictionalized story of the young boy who surrendered his loaves and fish to Jesus - to help us live at the convergence of life-transforming truth and spirit-empowered grace.
