## Synopsis

---

author	Emme Cox
readBy	Nikki Diamond
inLanguage	english

I'm to model in an erotic photo shoot, and my partner can't make it. Adam, the handsome older man in charge of me, is a perfect replacement. Soon, our poses get too naughty, and he needs relief. There are others on set with us, but Adam doesn't care. He's determined to be my first while they watch.
