Synopsis

author	Tawnie Breaux
readBy	Tawnie Breaux
inLanguage	english

Perfect for businesswomen of all ages. Tawnie Breaux creates a straightforward, get to the point guide for mastering the art of self-confidence using lessons learned from years of experience in a male-dominated industry.

As a high-value sales leader, business owner and author, her website *Books, Beauty and Business* ranked number 18 in most inspirational resources for small business owners.

Women in Power shares:

- Tips to building credibility quickly and with confidence.
- Confidence-building skills that will empower you through high-stress situations with the positive outcomes you want.
- Everyday tips to build the confidence needed to successfully engage with people of every position in business meetings, interviews, and networking events.

If you are ready to take your career to the next level, exceed financial goals, care for your family, and take that much-needed vacation, this book will set you apart from the general rat race and help get you there faster.

Creating a successful career starts with a few simple strategies. Enjoy these everyday tips to unlock your power and know your worth.
