

Work Positive in a Negative World, the Team Edition

author: Dr. Joey Faucette

2026-06

Synopsis

author	Dr. Joey Faucette
readBy	Dr. Joey Faucette
inLanguage	english

Work Positive in a Negative World, Team Edition helps managers transform their team's environment to Work Positive. Dr. Joey Faucette discovered that while owners and executives can shape a work environment, it's the managers and their teams who best create a positive workplace. *Work Positive in a Negative World, Team Edition* helps influence those on the front lines of increasing team productivity and company profitability. Written in a story-driven style that unpacks the five core practices of a work positive environment in an easy-to-access way, Dr. Joey shares what he's learned in the nine years since his previous best seller that managers and team members can implement starting today.
