| inLanguage | english |

New York Times best seller, master-class alternate historian, and creator of the Ring of Fire saga Eric Flint delivers an explosion of tales filled with well-turned action, wit, and wonder. First: a heart-wrenching saga of love, guts, and daring as a husband and wife, forced into an arranged marriage, fall in love for the first time while fighting their way toward one another in the midst of an alternate Roman war. Flint follows with stories set in David Weber's legendary Honorverse and Flint's own 1632 series. It's all topped with the gem of a tongue-in-cheek sword-and-sorcery novella (and Writers of the Future grand prize winner) that first announced Eric Flint's arrival on the SF scene like a cannon-shot at dawn!

Contains mature themes.
