Chronos, god of Time, and creator of the Universe, wants to destroy Eternity. A mysterious immortal seeks vengeance. And a reclusive Olympian deity does what no god should ever do: She answers a prayer. As punishment, she is stripped of her powers and trapped in a mortal's body. Now a Wyrđ - a fated god - she is haunted by the memories and thoughts of her host and must hide her true identity in order to survive in Nifflheim, the rival Norse Underworld. There she discovers the afterlife is not quite what it used to be. Nifflheim's new ruler threatens the precarious balance of a world overrun with outcast deities and mortals alike. To save her own sanity and find her way back to the stars, she must help the other Wyrđ overcome their grievances to defeat this enemy, but those who would be her allies appear to have motives as hidden as her fragmented consciousness. And yet it seems the greatest threat to her freedom comes from within, and the prize it seeks is her immortal soul....
