Everyone's looking for a way to beat the insurance system, but most of us aren't willing to cheat it. Those who are may be ready to do more than deceive and steal—they may be prepared to kill. The bullets fly and the criminals lie, but the payoff isn't a sure thing - not when "the system" calls in unflinching freelance investigator Johnny Dollar! Bob Bailey stars as Dollar in six digitally restored and remastered five-part serials. Wherever he goes - whether it's exotic Algiers, the dark alley, or the darkened wings of a theater - it all comes down to money and murder. One thing's for sure, his expense account isn't the only thing that's action packed!

Once again, these digitally restored and remastered episodes are available from the Radio Spirits Archives Collection, featuring rereleases of some of our most popular long-discontinued cassette collections.

**Episodes include:** "The Lorcoe Diamond Matter, Parts 1-5", 11-07-55 through 11-11-55; "The Amy Bradshaw Matter, Parts 1-5", 11-21-55 through 11-25-55; "The Cronin Matter, Parts 1-5", 12-05-55 through 12-09-55; "The Todd Matter, Parts 1-5", 01-10-56 through 01-14-56; "The Cui Bono Matter, Parts 1-5", 02-13-56 through 02-17-56; and "The Bennett Matter, Parts 1-5" 02-20-56 through 02-24-56
